Signature and Receipt for Services Provided

I understand that this Optional Maintenance Program is not an Insurance Policy. I understand that this Optional Maintenance Program was not required in order to purchase my and that my acceptance was voluntary. This Optional Maintenance Program is based on information You provided on the Registration Page at the time of sale. The Factory Scheduled Maintenance was NOT an option as part of this agreement. Factory Scheduled/Suggested Maintenance is specific to what the manufacturer of the vehicle suggests in the maintenance guide of Your owner's manual. Your selection of coverage has determined the number of services provided under Your agreement. One Service per year is allowed for Included Benefits and Optional Benefits. You may use Your services in advance based upon Your driving habits. Mobil One or similar products are excluded under this contract.
